

## Cheshire Diabetic Eye Screening Venues

East Cheshire  
NHS Trust

### Key:

 = Wheelchair Access

#### PLEASE NOTE:

Please contact your preferred venue to arrange a diabetic eye screening appointment.

Unfortunately, due to the impact of COVID-19 your usual Optician may not be listed at this time as they are unable to offer screening. This may change in the future. As a result, there may be longer waiting times at our available screening venues for diabetic eye screening appointments. Please accept our apologies for any delay.

It is important that you attend a screening appointment and therefore we would like to advise you that you can attend any venues listed within this leaflet for your screening appointment.

Please note, diabetic eye screening appointments are free to NHS patients and it is not necessary to also book a sight test. However, you can book them both at the same time if your optician is listed to screen and you are also due for a sight test.

Please follow the advice given in the attached document/from the screening venue in relation to the measures put in place due to Covid-19.

If you have any queries, please call us on 01270 275523/275524 or visit our webpage/Facebook page:
